

*AMMS Band***Concert Band Clinic**

(in preparation for the GMEA Large Group Performance Evaluation)

Friday, February 11, 2022: 4:05 – 9:30PM

The Autrey Mill Middle School band is going to have our thirteenth annual Band Clinic. Our 7th and 8th grade band students are in for a wonderful treat and an awesome learning experience! **On Friday evening, February 11th**, the students will be in sectional rehearsals with expert and professional musicians as well as have the opportunity to work as a full group in preparation for their upcoming LGPE event and Southern Star/Six Flags competition. (Large Group Performance Evaluation which we will attend on March 23rd / Southern Star – March 26th)

This clinic requires the attendance of ALL 7th & 8th grade students. (Please see the band calendar.) This concert clinic format is in lieu of a formal concert and provides a more effective way of providing feedback to students in small and large group settings. This clinic will also provide enrichment opportunities as they have the opportunity to work with professional musicians. It will be a very informative evening and a beneficial step in their development as young musicians.

During sectionals, students will be grouped according to instrument. In this small setting instruction, the students will receive very specific information in regard to not only our performance evaluation music, but also basic performance techniques.

The planning of this concert band camp has taken a lot of time and money, not to mention strong support from Autrey Mill administrators and band parents who have already gone above and beyond the call of duty to assist us. The purpose of this event is to give the students an opportunity to learn from musicians outside of AMMS, something that is not accessible to many band students. It is my hope that your child will gain some valuable insight into his/her playing and the music we are working on.

Donations and band operations fees have enabled us to keep costs low for this event. **The fee for the event is \$10.00 per person.** This fee includes instruction from additional staff and a pizza dinner.

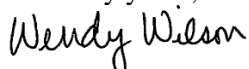

It is imperative that we have participation from every student. **This event has been on our band calendar since the beginning of the school year and everyone is expected to attend.** There is little more embarrassing than a hired instructor traveling to work with a band, and half the students are missing! Please review the schedule below, then sign and return the attached form with clinic money **by Wednesday, January 26, 2022.**

Friday, February 11th

Students should meet in the cafeteria at 4:05PM. Students may bring a snack with them and have it at that time. We will also have some snacks here as well. We will start introductions promptly at 4:15PM so we will have as much time to work as possible.

4:15 – 4:20PM	Introductions and Room assignments
4:30 – 6:30PM	Sectionals for 7 th & 8 th grades
6:30 – 7:00PM	Dinner Break (Cafeteria)
7:00 – 7:10PM	Transition
7:10 – 9:15PM	Full Ensemble Rehearsal for 7 th & 8 th grades
9:15 – 9:30PM	Clean up and Return Equipment
9:15 – 9:30PM	Parent Pick Up in Front of School

Musically yours,

Wendy Wilson

PLEASE SIGN AND RETURN by Wednesday, January 26, 2022**LGPE Concert Band Clinic – Acknowledgement/Confirmation Slip**

We have reviewed the schedule and information regarding the AMMS Band concert band clinic in preparation for performance evaluation and understand the expectation to **attend on February 11th**.
